

Struggling with funding?

Here are 4 ideas you can try to obtain funding for your SLA membership...

Bid for funds from existing pots

Approach your SLT for funds from existing internal pots. This could be Pupil Premium (*our offer can be linked to proving impact on these students' literacy*), training budget (*our offer includes hours of free, on demand training*) or PTA funds.

Parent funds

You only need 10 parents who want to see the school library thrive to donate £9.50 each to fund SLA membership. We can even provide a free SLA coaster for each parent donor!

Discounts for Multi Academy Trusts

If there are SLA members in other schools in your trust, then we can offer additional discounts if the MAT pay for more than 3 schools centrally.

Funding from local organisations

Often companies have a Corporate Social Responsibility (CSR) fund that you can tap into, as you can prove impact on literacy amongst local children. You could also offer to put their logo on your newsletter or website.
