## STORIES

How blessed we are  
to live 10,000 lives  
to walk 10,000 paths  
in 10,000 different shoes.

In one lifetime  
to find and to lose  
to chase and recreate  
an alternative reality  
at any part of our day.

**“One of the most brilliant and  
necessary voices from the UK.  
The power of her words  
will affect generations.”  
ANGIE THOMAS**
