

## Kent SLA Treasurer's Report

Thursday 16 July 2020

Sharon Bolton

This year we have been successful in gaining a branch grant of £425.00 from the SLA to fund activities throughout the year. We will be applying for another grant for 20/21 when the application process opens.

We were fortunate enough to run the Advanced Online Research Skills training event in November 2019 organised by Chantal at no cost, but non-member participation raised £10 in revenue. We are funding a place at next year's conference for the winner of our competition - £355.

Before costs for the conference place booking we have £1408.39 in our account.

As requested by SLA in light of the move to transfer funds from branch bank accounts to a national account which we can request funding from, I can confirm our funds have now been transferred and our account shut down.
